

All Fluteline Footrests are height and tilt adjustable

Board Size – 450mm x 350mm
Adjustable height range 70mm to 185mm

The large footrest allows for a better level of lateral seating stability

Suitable for those who do a lot of reaching for phones, for example at reception desks

Footrests relieve pressure from the thighs allowing for better leg circulation, helping to prevent oedema and deep vein thrombosis

Metal frame with ribbed commercial grade Decor carpet tiles on tread surfaces, available in *blue or grey* with the frame powdercoated in *Satin Black, Endeavour Blue, Pink or Apple Green*
